Subject: Support for ElectConnect – A Publicly Funded, Transparent Election System

Dear [Recipient's Name],

I am writing to urge you to support ElectConnect, an open-source, publicly funded election reform initiative designed to eliminate the influence of big money in politics and ensure a fair, transparent, and equitable electoral system.

ElectConnect proposes a system where:

- All candidates receive equal public funding, eliminating the advantage of wealthy donors.
- A central, nonpartisan digital platform provides every candidate with equal visibility.
- Candidates are required to engage with all counties in their district, ensuring direct voter access.
- Elections are secured through paper ballots and auditable, transparent voting processes.
- Gerrymandering is eliminated via independent redistricting commissions.

As a constituent, I strongly believe that our democracy should be driven by the voices of the people, not by corporate interests or dark money. ElectConnect provides a viable roadmap to achieving that vision.

I encourage you to review the ElectConnect E-Book and Addendum, which detail state-level implementation strategies and policy recommendations:  E-Book: [ElectConnect E-Book](#)

I kindly request a meeting or statement from your office regarding your stance on public election financing and nonpartisan election reforms like ElectConnect. I would appreciate the opportunity to discuss how we can advance policies that put voters before money.

Thank you for your time and for your commitment to strengthening democracy. I look forward to your response.

Sincerely,
